Assignment of Insurance and Release and Assignment

Please remember that insurance is considered a method of reimbursing the patient for fees paid directly to the provider and is not a substitute for payment. Some companies will pay fixed allowances for certain procedures, and others pay a percentage of the charge. It is the patient's ultimate responsibility to pay any deductible amount, co-insurance, or any other balances not paid for by your insurance company. If we are filing your claim we will allow forty-five days from the billing date for the carrier to process your claim and make payment accordingly. If payment from your insurance company is not received within the time frame specified above we will notify you to clear your account. Billing is only done as a courtesy to the patient and is not to be done as to dismiss patient's responsibility. I certify that I have read and understand fully the provider's billing policy, and agree to make payment in full and /or satisfactory arrangements when asked to do so as specified above.

To the extent necessary to determine liability for payment and to obtain reimbursement, I authorize disclosure of portions of the patient's record. I hereby assign all medical and /or surgical benefits, to include major medical benefits to which I am entitled, including Medicare, Private Insurance, Workman's Compensation and other health plans. This assignment applies to all charges outstanding as of the date of signature and will remain in effect for all current and future charges until revoked in writing. A photocopy of this assignment is to be considered as valid as the original. I understand that I am financially responsible for all charges whether or not paid by the insurance carrier. I hereby authorize said assignee to release all information necessary to secure payment. Should the account be referred to an attorney for collection, the undersigned shall pay reasonable attorney's fess and collection expense.

Our patient "Bill of Rights" and "Notice of Privacy Policies" are posted in the lobby of the office. We strongly encourage you to review these notices completely and ask any questions on areas that you do not understand. It is your responsibility to know and abide by both policies.
